About us

Established in 1992, “Bella Bulgaria” SA is currently the largest processed food manufacturer in Bulgaria. With 14 production sites and well organized distribution network, “Bella” is producing, storing and distributing high quality food products, which fulfil the everyday nutrition needs of millions of households in Europe.

“Bella” maintains the highest quality and safety standards, complying with all requirements of IFS, ensuring the quality control with an on-site and external accredited laboratories.

Currently Bella Bulgaria SA offers a wide range of products: sweet and savory pies, margarines, great variety of processed meat products and delicacies, white and yellow cheese.

The company is ranked as one of the fastest growing enterprises in Europe.

Commitments

- Sustain an ethical corporate organization
- Ensure quality consistence and regulation compliance
- Exceptional customer service, according to best industry standards
- Social and environmental responsibility

Portfolio

The company offers an extensive range of processed meat products– frankfurters, sausages, minced meat, boiled salami, larded salami, boiled smoked delicacies, raw-dried salami, raw-dried delicacies.

Contract manufacturing

What makes us stand out from the crowd:

- Expertise and excellent know-how
 - Sufficient capacity & professional production load management
 - Innovative R&D process
- Project management
 - Competitive pricing
 - Outstanding quality
