BELLA

MEAT CATALOGUE

Company

Having started its operations in 1997, today Bella is the largest food producer in Bulgaria and a leading representative of the food industry in Southeast Europe. It gathers under one roof leading brands, products and services that offer the best value for money. Our products can be found at the table of consumers in Europe, Australia, America, and the Middle East. The corporate mission of Bella – to offer better products at better prices – clearly shows that at the basis of the business development of the food company is the focus on the consumer.

Bella's portfolio contains over 200 products - pastry products, processed meat products, margarine & oils, white cheese in brine - all manufactured under own and private brands in 9 processing plants with a production capacity of 350 tons per day.

In the fulfillment of our mission the consistent quality is leading for us.

We strictly maintain the highest standards in the whole process of our business. All Bella products are produced in facilities, where the systems for control and monitoring of quality and safety have been introduced: HACCP, ISO 9001, ISO 22000, ISO 14001:2015, IFS.

Commitments

- *Sustain an ethical corporate organization*
- *Ensure quality consistence and regulation compli ance*
- *Exceptional customer service, according to the best industry standards.*
- *Social and environmental responsibility*
